OF STATE ENGINEER

APPROVAL

OF STATE ENGINEER

The total combined amount of water granted under this permit and Permit 41163 is limited to what the well covered under the two permits is capable of producing. If certificates of appropriation are issued under this permit and Permit 41163, the total combined amount of appropriation granted in said certificates shall not exceed what the well covered under the two permits is capable of producing.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.5 cubic feet per second.
